## Chapter 1 Publication on the website

The first presentation of detailed plans of Paris, Alingås and Delft will be available on the website within the publications page since the 21<sup>st</sup> of September. Due to the ongoing tender of one of the partners (ICF) the information including detailed plans and budgets cannot be released. That could imply legal consequences due to the cited ongoing tender.

**As soon as the tender is over (20<sup>th</sup> of September), the corresponding information will be released.**

Once the information will be released the procedure to access it will be the following:

Access to the main website (see Figure 1).

<http://www.beem-up.eu/>

On the publications tab (see figure 2), there is a link to the document with the first presentation of the detail plans of the pilot sites. Corresponding to the deliverable D1.7. The permission to publish the information has been required and confirmed by the three building owners (AHM, Woonbron and ICF) but due to the tender the releasing will be the 20<sup>th</sup> of September as it was stated earlier.

The direct link to the publications tab is:
